Friday 22nd December	**Last Day term 4 – Finish @ 1.30pm**

ZOOPER DOOPERS FOR SALE FOR 50c

Each Day throughout Term 4

PRINCIPAL COMMENTS: PAUL JORGENSEN

Our Civics and Citizenship Award winners for Term 4 were F/1W Zahlee, 1S Mason, 2/3KA Logan, 2/3 MA Eli, 4/5/6D Jada and 4/5/6S Archer. Congratulations to these very deserving winners. It is always a difficult task selecting our winners each time as we see many children displaying our school values. These children were recognised for their efforts in displaying these values on a regular and consistent basis.

Our Civics and Citizenship awards were held in conjunction with our Remembrance Day ceremony and again we thank the Morwell RSL for their support of our activities.

Thankyou also to all those who turned up for the occasion and to the students who laid wreaths, raised flags and read poems or told about what Remembrance Day means to them. Tahlia, Drew, Jackson, Corey, Olivia and Kayla all did a great job ensuring the ceremony ran smoothly.

Preview for Foundation and Grade 1 students

Next week we will be covering the topic of time. At home discuss the language of o'clock, hands, hour, half past with your child and ask them to read the time to the hour and half past.

In writing, students will be working on achieving their writing goals. We will be continuing with persuasive writing pieces and beginning to look at information reports. At home, ask your child what make a piece of writing persuasive.

We will be learning about nouns and verbs. At home, your child could write a list of nouns and verbs they can find in books or after asking an adult.

Please remember to bring Library books on Friday.

Have a wonderful weekend! ☺

Miss Stockdale and Miss Waite

Grade 2 and Grade 3 families!

Hello parents and families,

Next week Writing and Inquiry will be interlinked as students are working towards the completion of their research into a country of their choice. The culmination of their research will be the creation of a presentation using Microsoft PowerPoint. Talk to your child about whether they have enough information about their country and encourage them to research to find out any more information they may need to complete their presentation. It is extremely important that students are not writing information down exactly from the source they are using (internet, books etc.) but that they take notes and summarise the key information in their own words.

In Reading we will be digging deeper into the process of Reciprocal Reading. This involves Predicting, Reading, Clarifying, Questioning and Summarising. Ask your child to show you how each stage works and encourage them to practise using either fiction or non-fiction texts.

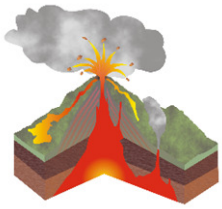
In Mathematics we will be checking in on our understanding of time. Asking your child to read the time on clocks and predict what the time will be in 5 minutes, 10 minutes or even 45 minutes will help to strengthen their understanding and use of time. If your child can read the time well, the next level is being able to read and understand train timetables, bus timetables and T.V. guides. How long will you be on the train if you get on at 11:05am and get off at 11:23am?

We hope you all have a great weekend!

Kelly Alexander, Mark Atherton and Natalie Jones

Preview 4/5/6 Duncan and Simmons

For this week's Preview we are asking for students to continue their independent investigation on Natural Disasters in preparation for next week.



We have also notice students are not reading regularly at home. We would like all students to bring in a summary of the book they are currently reading. Remember daily reading makes a difference.

Susan Duncan & Dale Simmons

New in the Library!

Have you visited the Library lately? Thought it was just books, books and more books! Come and take a look!

This year we have added to our collection of card and board games with new sets of "Connect Four", "Trouble", "The Game of Life", and

“Star Wars Monopoly”, as well as some new jigsaw puzzles, and a “Marble Race Set III”.

Then there are the new tablet computers! There are so many interesting things in the world that our Library doesn’t have books about, you can use one of our four new tablet computers to answer your questions! Use them to **discover more**!

Just in last week are the new Lego sets. Choose a vehicle, follow the instructions and see what you can build!

In our library you can **challenge yourself**, **follow your curiosity**, **collaborate with friends**, **practise resilience** and **demonstrate responsibility.**

PARENT CLUB NEWS

TERM 4 FUNDRAISER

5c challenge. Special prize for class that collects the most 5c coins.

Containers are in your classroom so bring in those coins from home.

Still on Wednesday morning by a simple hand test **Mr Athertons's** grade is leading the collection.
