**PRINCIPAL’S COMMENTS………Paul Jorgensen (Principal)**

We have had quite a few students and some staff away this week due to a cold and other illnesses going around. When a child is obviously ill at home, it is best to keep them home for their own well-being, but also for the well-being of others.

We do of course encourage children to be at school at all times, however illness is a different matter and quite reasonable for a child to miss a short time from school because of this. Being home generally helps speed recovery and allows children the opportunity to recover and learn faster than if they remain at school and not feeling well.

Parents have been very good at letting the school know when their child/ren are away for illness and this certainly helps Brenda in the office sort out attendances when early notification to school happens.

Five students competed in the Division Cross Country on Thursday in wet conditions. All children performed well and were certainly challenged in the conditions but still enjoyed the experience. Lily-Rose Williamson finished 2nd in a time of 8.26 minutes over 2 km, Sophie Bellingham finished 22nd with a time of 15.40 minutes, Hannah Bonnici finished 23rd in 15.41 minutes, Boyd Makepeace finished 24th in 13.49 minutes and Lily Aitken finished 22nd in
16.37 minutes, all over the 3 km course. The competition was tough with 30 contestants in each event against schools from around the Latrobe Valley. Friday two teams of children participated in the Bessie Frood netball competition in Morwell, however at the time of compiling this newsletter we heard they had made it into the finals but haven’t been informed of the result as yet.

The children representing our school at these events were able to wear the new HNPS jackets that were purchased by Parents’ Club. These look great and the children were very excited to wear them with pride.

**Churchill Junior Basketball – Round 5**
U10 Hornets boys had a good win over Yinnar Magic.
U10 Hazelwood North Boys lost to a strong Yinnar Jedi’s team.
U10 girls lost to the Stars but they played a great game. They showed a lot of improvement and played well in defence. Girls are getting better every week.

No games played this Friday due to the long weekend. Good luck to all teams the following round.

**NETBALL – HAZELWOOD NORTH DIAMONDS**

Felicity Di Toro

The Diamonds played the Churchill Cougars in what was an exciting and nail biting match with a 9 - 9 draw, a fitting result. Yet again, the Cougars got off to a great start with a 3 – 0 lead before the Diamonds settled and got their first goal. The lead changed a number of times throughout the game, giving the coaches and spectators of both teams some heart stopping moments, something which these two teams excel at! At the final change the Diamonds led 9 - 6, with team changes from both teams, interesting match-ups and contests, the result came down to the final seconds. No netball this weekend due to the long weekend, with training still scheduled and training session plan already developed to work on the key items identified in the game that could have led to a win.

**Cadbury Chocolates**

Does your work place need a chocolate fix? We have boxes of mixed bars available; see Brenda or any member of Parent Club.

If by chance you still have outstanding money from previous chocolate sales, please hand all monies into the office ASAP.

Thank you all for your continued support.

**Thursday Lunch Orders**

**Don’t forget NO LATE ORDERS after Tuesday morning.**

Liddiardi Road Milk Bar will be providing us with Lunches on a THURSDAY instead of Friday, 3 out of 4 weeks. Could lunch orders please be written on the front of an envelope or on the
supplied order form inside a plastic zip lock bag? – see attachment. As this is an out-sourced activity, we ask for correct money to be given.

We will provide you with calendar of what is happening. We anticipate that there will be a SUBWAY day and perhaps Sausage Sizzle, Hot Dog or Pie Day but we will let you know. These will be run by Parent Club with funds raised going to the school.

**Pie Orders**

Pies will be delivered to school on Monday, 16th June and ready for collection after school. If you cannot make this time, we can put your order in the fridge or freezer at the school for you; you must let us know.

Thank you for your support.

**Hazelwood North Advertiser**

There is still plenty of room for your business to advertise in our very own advertiser due to be delivered to the wider Hazelwood North community by the end of term. If you have any questions or want to be involved, please contact Trish Distefano on 0400 956 684 or myself.

If you have any questions on the above or any ideas for fundraising, you can contact me on either 0412 855 933 or bronwyn@wideband.net.au.

**Don’t forget to hand your reward cards over when your shop at IGA and Bakers Delight. Thank you to these businesses for their continued support to our school.**

**DON’T FORGET OUR FREE CHINESE LANGUAGE KITS**

Amongst the many new Chinese language and culture resources at the school, we have several copies of a Chinese language learning program for adults. The resource consists of a CD and book which teaches the phonetics of the Mandarin language. If you would like to learn a new language, gain an appreciation of the speech patterns of Mandarin, or help your children with their Chinese, then this kit may be a great starting point. The kits are available free until they are all gone.

Please contact Kaye Stockdale in the Library or see Brenda at the Office if you would like to have one. (N.B. I promise not to test you!)
