LUNCH ORDERS DUE ON TUESDAY, 17th JUNE, 2014.

PRINCIPAL’S COMMENTS ……..Paul Jorgensen (Principal)

There continues to be many extra curricula activities happening for students. Coming up in the near future students will participate in the District football and netball competition Friday, 13th June and if successful, could participate in the Division Winter Sports on Tuesday, 17th June. The girls Soccer team has already qualified for this event so we wish them all the best for the 17th. Lily-Rose Williamson has qualified for the Region Cross Country on the 19th June. This will be a good test for Lily-Rose as it takes in all Public, Catholic and Private schools from Mallacoota to Warragul and across to Wonthaggi and Alberton.

I will be attending the Asia Education Foundation Conference next week on Monday and Tuesday. At this conference I will be talking about our schools journey to including Asia education to students. I will outline our cultural program and our language program which is now going very well. We continue to incorporate aspects of learning about Asia and its importance to Australia through a range of activities at school. I will be able to listen to how other schools are engaging with Asia education and listen to speakers regarding the latest developments in this area.

We have had a number of illnesses at school recently but it seems to be settling down a bit so hopefully everyone will be well enough to enjoy the upcoming school holidays.

**Pie Orders**
Many thanks to the parents who spent 2 hours tallying pies orders; we sold 661 pies. Without your support, we could not raise funds for our school.

If you have some spare time on Monday afternoon, your assistance with sorting Pies would be greatly appreciated.

If you have ordered PIES and could drop off some bags for us to put them in, that would be great. Thank you.

**Fundraising**
Your support for our fundraisers like this, not only supports ICT equipment but we have also recently purchased a set of Warm-up Tops and Football socks for the children to wear when representing our school at Sporting Events and ANZAC Day Ceremonies, just to name a few.

Below is a picture of some of our students wearing the new warm-up tops in readiness for the Bessie Frood netball competition held last Friday.

The resource consists of a CD and book which teaches the phonetics of the Mandarin language. If you would like to learn a new language, gain an appreciation of the speech patterns of Mandarin, or help your children with their Chinese, then this kit may be a great starting point. The kits are available free until they are all gone.

Netball

On the 6th of June some of the 4/5/6s went to Morwell Park for the Bessie Frood Netball tournament.

In the girls team was: Charlotte, Emmerson, Alyssa, Meg, Alisha, Sophie Bellingham and Sophie Brown.

Emmerson and Alyssa brought the ball down the court to Meg and Sophie Bellingham who both worked well together in the shooting circle. Sophie Brown, Alisha and Charlotte worked hard in defence and stopped the opposition team from scoring many goals.

We played 8 games and won 6, drew 1 and lost 1 which meant we went through to the semi-final. We played against Lumen Christi, it was 3-2 which we lost by 1 point.
All the girls played as team and worked really hard on their passing and moving in front.

We played against: Lumen Christi, St Vincent’s, Commercial Road 1, 2 and 3, Morwell and Tobruk Street 1 and 2

First game: We won 3-2 against Lumen Christi

Second game: It was a draw 2 all against Commercial Road 1

Third game: We won 11-1 against Commercial Road 3

Fourth game: We lost 3-1 against St Vincent’s

Fifth game: We won 2-7 against Morwell

Sixth game: We won 4-0 against Tobruk Street 1

Seventh game: We won 13-1 against Tobruk Street

Then we had a bye and we practised a little bit.

Eighth game: We won 9-0 against Commercial Road 2

By Sophie Brown and Sophie Bellingham
The mixed netball team played nine games and we came fifth overall.

We just missed out on playing in the semi-final.

Everyone played well as a team.
