Payment of School Supplies

PRINCIPAL’S COMMENTS ……..Paul Jorgensen (Principal)

The Cultural day this week was terrific with children visiting different rooms (Countries) that had activities relating to Asia. The children were placed in multi-age groups and children had a chance to participate in 5 different activities based on different Asian Countries. All up there were 10 countries represented and hopefully the children will be able to complete the other 5 countries/activities. Thank you to Denise Vesty and all other organising teachers for creating a great day.

It was a very busy week with Cultural day on Tuesday, Tara Bulga National Park visit on Thursday and School House Sports on Friday. The children were fantastic at Tara Bulga and did quite a bit of walking. After sports on Friday, I believe all children will be ready for a quiet and relaxing weekend.

As from next week, we will begin to see what we need to do as part of our recovery phase from the smoke and fire from the Hazelwood mine. With the lifting of restrictions etc. by the Health Department and Education Department, we are now ready to enter the next phase. We are beginning to ensure our school will be clean and over the next few weeks extra cleaning will be completed, including air-conditioners, water tanks, external and internal areas. Thank you to all the school community for your support over the past several weeks.

School Council met this week and looked at the new School Uniform Policy which was adopted, the provision of Lunch Orders and fundraising. School Council and Parents’ Club are also investigating new sports tops for basketball and other activities and possible training.
tops for sporting events away from school. The School Annual Report was presented and will be on our website for parents to view.

NEWS FROM OUR ROVING SPORTS REPORTER, JASON

Hazelwood North Basketball results for last Friday night, last round of the season before finals were:

Hornets Boys played Yinnar Jedi’s. They went down 10-4. That’s their last game for the season. They finished 5th and played a great season. Have lots of bottom aged players who are developing each week and have lots of fun playing together as a team. Well done boys.

Hornets Girls played The Diamonds and lost 10-1. The Diamonds only had 4 players so our Hornets kindly lent Alyssa Brownley to play for them. The girls had fun playing against their team mate. It has been a real learning season for them all. In the U10 girls age division there are 4 teams so all 4 get to play finals. The girls play the 1st semi-final this Friday. Good luck girls.

Hazelwood North Boys finished 2nd on the ladder in U10 boys after their Friday night win against Wipeout 18-12. It’s a great effort from them as before this season only 1 of the 7 players had ever played basketball before. They play the top team, Allstars, this Friday with the loser getting a second chance. Best of luck boys.
