PRINCIPAL COMMENTS: PAUL JORGENSEN

Welcome back families for the last term of 2018. This term will have our students involved in our school production and Kelly Alexander has the huge task of bringing this altogether in the coming weeks. There has already been a lot of work going in to get this organised. We also have our year 3 to 6 students heading off for a fun, but tiring, three days at camp Rumbug. Again, this year we were not sure if the camp would go ahead as there were very few notices returned to school by the due date. Organisation of such a camp is a big job and without confirmed numbers, the ability to make final costings and viability is very difficult. We ask families to ensure that all notices and payments for all excursions and camps are

made on time so that planning can run smoothly and information back to families happens as early as possible.

It is also that time of year when we are busy organising class structures, putting staff in grades and then putting children in grades. At the moment our exact staffing for 2019 is being organised and we hope to finalise this as early as possible but at times this can be complicated. We also ask that if any families have any special requests for teachers or grades then please inform me so that we can consider this when placing students in grades. It is not always possible to complete all requests but we do endeavour to meet them where possible.

SCHOOL HATS

Don't forget that all students must wear our school broad brimmed or legionaires navy blue hat as per school policy for Term 4. Hats are available to purchase at school for \$12 at the office.

ZOOPER DOOPERS FOR SALE

Icy poles will be available for purchase every day starting next week at lunchtime Icy poles can be purchased for 50c each raising money for our China Trip in 2020.
