PRINCIPAL COMMENTS: PAUL JORGENSEN

I hope by now you have received your time allocation for the Parent/Teacher discussions. If not please check your child's bag.

There is not a lot of time for each parent to meet with teachers so we do ask that parents are punctual and understand that if you need more time to talk with a teacher please negotiate another meeting time so as not to hold up other time slots. Teachers may use a time clock to monitor times so that the afternoon and evening can run smoothly.

For parents of Year 5/6 children our Ballarat/Melbourne camp is nearly upon us. We understand that at times students may be a bit apprehensive about going away on such activities. We hope that children are encouraged to attend as the activities planned form a major part of the learning for Term Two around the Gold Rush and Australian/Victorian Government. Children are well catered for by experienced staff and every effort is made to make the trip as safe and as enjoyable as possible.

Also for Year 5/6 children, there is an opportunity for children to participate in the Bi Annual Somers camp. This is a fantastic opportunity and will take place from 16th July to 24th July 2019. This camp is run by the Department of Education and has been running for many years. The experiences gained at this camp are experiences for a lifetime.

There was a tent/swag pole and some tent pegs left behind after the Marlo Camp. Could you please check your tents/swags for any missing items.

Bush Dance

Our Bush dance is fast approaching and Tickets are on sale now.

In response to feedback, there will not be a whole school production this year. In its place, Hazelwood North Primary School will be hosting a Bushdance for School Community and friends. As explained in recent information sent home, students will be dedicating a whole day preparing for the event. On the night, students will be sharing their new skills with their families, which will surely be something to remember! There are many notes that still need to be returned for the incursion and tickets to be purchased for families and friends for the evening. So please have these returned A.S.A.P. If you have any questions about the Bushdance, please feel free to contact us.

School Council News

The council AGM was held on Monday 18th March as planned, all office bearers positions were successfully filled being President (Leigh Markham), Vice President (Adam Leslie), Treasurer (Trileen Robson) and Secretary (Kelly Alexander).

As president and on behalf of the new School council I would like to again thank all outgoing and welcome all new councillors and thank all staff and parents on Council for giving their time and efforts in supporting our school and look forward to the year ahead.

Update from School Council – We are still awaiting the final quotes with the aim to have repair works on the junior building ramp and decking, our aim is to have these works performed over the upcoming school holidays to minimise impact or over weekends during Term two. Once these urgent works are completed we will endeavour to make a start on the recladding. The 2018 Annual Report and 2019 Annual implementation plans were endorsed by school council and will be shortly available on the website.

Thanks

Leigh Markham (President)
