PRINCIPAL COMMENTS- PAUL JORGENSEN

Badges are now in the office for Sale from 50c to $5

Outside each of our main entrance gates and in the office foyer area, we have signs that indicate our school vision and values. We have placed these in these positions so that school community and visitors to our school understand what we are trying to achieve at our school in relation to student learning. This vision and our values are what we also plan our lessons and activities on for student learning. We also endeavour to instil these in students at this school, as we believe that if a child leaves our school with these values they will be well set up for future learning and 21st Century living. It is therefore that we encourage parents to also teach and

encourage children on the school values, so that together we can work towards ensuring students are prepared for what lies ahead of them.

Thank you to the parents who have been correctly using the pick-up zone. There has been an improvement in cars moving off on most days. However, I will remind everyone again. Please remember this is a **quick pick up/drop off zone.** If your child is not ready at the gate, please move your car and park in the car park. In addition, if you see there is a long line already when you arrive at the school can you please consider parking in the car park and collecting your child from the playground? Pick up time can be a very busy time; the safety of the students is paramount. **Thank you for your understanding.**

ZOOPER DOOPERS FOR SALE

Icy poles will be available for purchase every day at lunchtime for 50c each raising money for our China Trip in 2020.

Camp Phillip Island

On the 9th of October the 3/4 from Hazelwood North Primary School went to Phillip Island CYC Camp. While we were on camp we did the giant swing, the flying fox, Churchill Island and the Koala Reserve.

Giant swing

The giant swing is a swing made up of ropes and wood. If you want you can go to the top! I went all the way to the top and it was awesome! You had to get harnessed up to be able to get hooked on. There was a hauling team. The hauling team had to pull a rope to hoist the person into the air.

Flying fox

A flying fox is like a zip line and you get harnessed up. You have to climb up heaps of stairs to reach the top. You could sit down or stand up if you were scared you could sit down. Climbing the stairs was the scariest.

Churchill Island

At Churchill Island there are sheep and sheep shearing. Billy the dog is a sheep dog and he loved the attention. He only rounded up the sheep when you clapped. We also saw a peacock and she or he pulled up her beautiful feathers. Some groups also went into the old houses. Some brave people also did whip cracking but sadly only people over 18 with no back or neck problems could take part.

We had awesome fun.

Happy Birthday Mr Berry

Mem Fox Excursion

Today the F-3 students travelled to Traralgon to watch the theatre production “Possum Magic”. This term students have been investigating the author Mem Fox and it was a real treat to see one of her books come alive! We were all certainly amazed by some of the magic Grandma Poss performed. Students commented that best parts were “when they made Hush invisible”, “the magic”, “the costumes” and “the flames on the birthday cake”.

A special mention must be made to all students who attended the excursion. Teachers were very impressed with the responsibility that all students demonstrated while travelling to the theatre, while at the theatre and when we returned. Congratulations F-3 students, you should all be very proud of yourselves!

SPORT NEWS

Athletics: Congratulations to the three representatives of Hazelwood North Primary School who attended the Regional Athletics day at Newborough on October 15th. Tasman Leahy and Eliza Kennedy-Redmond ran in the 1500m, with Eli Sutherland in the 800m. The students did extremely well to attain this level, and the school community is very proud of them.

Swimming: Swimming for Grade 5/6 will be held at the Churchill Leisure Centre on Wednesday October 30th and Thursday October 31st, Wednesday November 6th and Thursday November 7th, and Wednesday November 13th and Thursday November 14th from 12.30pm-1.30pm. Students will need to bring bathers, towels, and goggles if available. Please ensure items and clothing are labelled
