**PRINCIPAL COMMENTS- PAUL JORGENSEN**

The end of the year is fast approaching and as such, staff are busy writing student reports and organising for next year. To support this organisation if you know your child will not be at our school next year could you please let us know in the office, we need to ensure transfers take place to any new schools before the end of the year.

Most staff will be returning next year but there may be some changes to what grades staff are in. We will also have a new teacher, Jacinta Milner, who will be joining us from Grey St. PS next year to replace Deb Dean who will be on family leave. Deb may still be with us at the start of the year for a few weeks.

I will also be taking Long Service Leave at the start of next year and an Acting Principal will be selected very soon to fill this role. This process has begun and as soon as someone is in place, we will let school community know.

A reminder to all parents that the **Drop off and Pick up zone** in the car park area is a **NO STANDING or PARKING** area. This is very important for the safety of children getting in and out of cars. If you pull into the **Drop off and Pick up** area and your child is not at the gate ready to get in, drive through and either park in the car park and collect your child from the gate or drive through and re-enter the **drop off/pick up** area again.

Please also keep the bus area free from cars at all times.
