Our Vision

At Hazelwood North Primary School, we are a community of life-long learners who are inclusive, kind, and curious. We are problem solvers who work together with confidence to strive for growth and excellence.

Principal News

Boy the days are flying by! We have had another terrific couple of weeks, lots of terrific learning going on across the school. It has been great to see the Green Team in action with their Nude Food initiative. Thank you for supporting this, grades are very excited to be the first to earn the trophy! Even the staff are participating!

We have our 3-6 camp coming up on the 2-4th November which will be fantastic. Staff have been working hard to make sure everything is in place for a terrific few days, let's hope that the weather is a LOT better than our 4/5 Allambie camp. Thank you to the parents that have offered to come and help.

Road Safety

I really appreciate the effort everyone is making to ensure our children are safe. The drop off zone is working well being further into the car park. Thanks for your cooperation and keep up the great work!

Camp Survey

Our current camp structure was raised at School Council to discuss it in line with issues raised by parents about costs and the grades going. There have also been recent changes for teacher employment conditions which will impact on the running of the school. School Council thought it would be important to seek a wider range of opinion about how we run our camps, so a note will be coming home on Monday asking you to state your preferences out of several different structures. Please keep an eye out for this and return it to the office by the due date.

Keep smiling and take care,

Gillian Connolly 😊

I Acknowledge the Brayakaulung People from the Gunnai Kurnai Nation as the traditional custodians of this land where I work and live, and pay my respects to elders past, present and emerging. I extend that Acknowledgement to all other Aboriginal and Torres Strait Islander people in Australia.

SPORTS NEWS

Congratulations to Taj for coming first in the long jump and third in the high jump. This means Taj will be competing in the State Athletics for long jump. What an amazing effort and good luck!

PB4L & Respectful Relationships

Day for Daniel - this is held on Friday the 28th of October to encourage parents and educators to hold conversations with children and young people about personal safety. The PB4L team have organised Senior Constable Clare Donlon from the Proactive Police Unit to come and talk to the students about keeping safe and who to go to if they are worried. We would also encourage students and staff to wear red on the day. For more information, please go to <https://danielmorcombe.com.au/day-for-daniel/>
