Our Vision

At Hazelwood North Primary School, we are a community of life-long learners who are inclusive, kind and curious. We are problem solvers who work together with confidence to strive for growth and excellence.

Principal News

Welcome back and I hope you all had a great Easter break and enjoyed time with your children. We have a very busy term coming up with swimming, incursions, education week and other celebration days. Please make sure you keep an eye on the Dates for the Diary section in the newsletter and Facebook.

Today I am having surgery and will be out of action for a couple of weeks. In my absence Kate Boddy will be Officer in Charge (OIC) on Tuesdays, Wednesdays, and Fridays, with Mark Atherton OIC on Monday and Thursday. I would appreciate you supporting Kate and Mark while they are in this role by showing respectful and kind communication as always. I am due to return on the 6th May.

Foundation 2025 Enrolments Now Open

If you have a child to enrol for next year, please contact Fran at the office for an enrolment application and form. If you know anyone with a child starting school next year, let them know we are open for enrolments and tell them to contact the office to find out about our information sessions and tours being held on the Wednesday 8th May.

Education Week:

Open Day & Morning Tea - 16th May (9am to 11.30am)

Every year we open our doors for Education week so you can come and see what we do and how your children learn. This is always well attended, and we love seeing so many parents, grandparents and relatives pop into the grades to watch and join in on what is happening at the time. This year we will be holding it between 9am-11am on Thursday the 16th May followed by a morning tea in the hall.

Evening Session – 16th May (6pm-7pm)

This year we are trialling an evening session so working parents get the opportunity to also come along with your children, look at their work and chat with their teacher. We will have activities set up that you can do with your child as well. Other family members are more than welcome to attend as well.

We would love to see you at one, or even both sessions!

Keep smiling and take care,

Gillian Connolly ☺

I Acknowledge the Brayakaulung People of the Kurnai Nation as the Traditional Custodians of this unceded land where I work and live. I pay my respects to elders past and present and extend that Acknowledgement to all other Aboriginal and Torres Strait Islander people in Australia.

Please send in any out of school achievements and celebrations to the school so we can include them!!

A huge congratulations to Cooper who was selected to play in the under 14 Junior Country Championships for basketball in Mildura over the holidays. Over the 3 days they competed against teams from all over Victoria but were knocked out in the quarter finals against Kyneton. What an achievement!

If your children are interested in furthering their knowledge about the namesake of our STEAM class, this looks fantastic!

Leonardo da Vinci – 500 Years Of Genius presented by Webuild Now Showing. Dedicated to exploring the life of the greatest creative genius the world has ever known, Leonardo da Vinci – 500 Years of Genius presented by Webuild is our most ambitious, immersive and breathtaking experience yet.

Artist, inventor, scientist, philosopher and musician, Leonardo da Vinci transcends his era. Not only did he create masterpieces never surpassed for their beauty, technique and anatomical accuracy; his pioneering contributions in architecture, engineering and flight, laid the foundations for many modern innovations, making his influence more profound and far-reaching than anyone who has followed.

As part of the *Leonardo da Vinci* experience THE LUME Melbourne is proud to display original pages from the genius' priceless Codex Atlanticus notebooks, revealing his insatiable curiosity spanning anatomy, engineering, flying machines and hydraulic systems. This is the first time these original sketches have been shown in Australia, representing a once in a generation opportunity for insight and inspiration.
